*Proceedings of the Madras Government, Revenue Department,
26th March 1868.*

No. 442. Read the following Proceedings of the Board of Revenue, dated 23rd March 1868.

Read the following :—

Season report for February 1868.

1. The district is free from cholera, but fever prevails in the Western and Southern Talooks. Fever pills have been administered with benefit. Disease among cattle also prevails in some parts of the district.

2. The white Cholum and Sugar-cane crops are being reaped. In the talook of Allur, the Cholum and Cotton crops planted in regud lands are said to be withering. The latter, in the talook of Raidroog, is reported to have been injured by insects.

3. No rain, and want of water is experienced in some parts of the talooks of Anantapur and Hindupur, particularly in the latter. In two villages of this talook the poor are reported to be suffering from want. The Collector is on his way to the Sub-division, which he expects to reach about the 17th instant, when a further report will be submitted.

4. There is a slight fall in the price of Cotton. Grain is being brought in from the surrounding districts.

(Signed) H. E. SULLIVAN,
Collector.

1. Submitted for the information of Government.

2. The Board await the Collector's further report on the two villages of the Anantapur talook where the people are stated to be in want.
