Proceedings of the Madras Government, Public Department,

8th February 1868.

No. 39. Read the following letter from the Collector of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd January 1868, No. 11.

I have the honor to forward, herewith, an application from Mr. Stephenson, the Apothecary attached to my office, for the issue of a tent to him from the Government stores during the time he is out with me on Jamabundy or other duty in the district.

2. There is no doubt but that Mr. Stephenson's limited means do not admit of his furnishing himself with a tent, more especially at the present time when tents are so very expensive.

3. Mr. Stephenson when at head quarters always uses his own dwelling house as a Dispensary, but gets no compensation whatever from Government. I consider him, therefore, fully entitled to some consideration on that account. When on circuit the Collector's Apothecary draws no extra tent allowance, but is still expected to carry with him stores and to dispense physic to the ryots attending the Jamabundy. For these reasons, therefore, and in consideration also of the many calls that are sure to be made this year upon the Apothecary for medical aid, I beg strongly to recommend the issue of a tent to him from the Government stores as requested by Mr. Stephenson.

From Mr. R. F. STEPHENSON, Apothecary attached to Collector's Department, Madras District, to the Collector and Magistrate, Madras District; dated Guindy, 17th January 1868, No. 2.

I respectfully beg to request you will be so good as to obtain the necessary sanction for the issue of a Government tent to me while on Jamabundy, as from the very high price at which tents are sold at present I find my limited means will not permit me to purchase one. While at head quarters I have not only to retain custody of the public Medical stores placed under my charge in my private dwelling house, but have likewise to receive all applicants for Medical aid at the same place. Moreover, while out on circuit I have to make a similar use of my tent, and therefore beg you will be pleased to use your endeavours to procure for me a Government tent, for which I am perfectly willing to forego a portion of my house-rent.

No. 40. ORDER THEREON, 8th February 1868, No. 150.

Communicated to the Commander-in-Chief, (Quarter Master General's Department,) in view to a tent being supplied, if available, to the Apothecary attached to the establishment of the Collector, Madras District, while on duty in the district.
