3. The transfers of funds sanctioned in the Order of the 9th March 1868, No. 780, are hereby cancelled in accordance with the recommendation of the Superintending Engineer of the 7th Division.

4. The Superintending Engineer of the 3rd Division applies for a grant of Rupees 2,350 for the “Lane sheds, cisterns, &c.,” proposed to be erected for the D. Battery. The Government observe that this amount was placed at Major Moberly’s disposal in the Order of the 12th February 1868, No. 488.

5. The excess outlay of Rupees 1,071 on the Roman Catholic Place of Worship at Bellary should have been added to the original estimate under the authority of G. O. No. 3,842, dated 10th December 1867.

6. Major Moberly will doubtless be able to adjust the small expenditure of Rupees 50 on the “Improvement of the ventilation of the Hospital of the 2nd Regiment Native Infantry” by an appropriation from the current year’s grant for Minor New Works under “Military.” No funds under that head are at the disposal of Government.
