*Proceedings of the Madras Government, Revenue Department,
27th March 1868.*

No. 522. Read the following letter from the Under Secretary to the Government of India, Home Department—Public, to the Secretary to the Government of Fort St. George, dated Fort William, 4th March 1868, No. 1,103 :—

Subject.—The proposed general census of India in 1871.

* No. 483, dated 20th September 1867.

I am directed to invite attention to the communication marginally noted,* and to request an early reply thereto.

No. 523. ORDER THEREON, 27th March 1868, No. 813.

Miscellaneous.

1. It is observed that the former letter expressly desired that the reply might be submitted by the 1st January 1870, and was referred to the Board of Revenue for report.

2. There is, however, nothing novel in the idea of a census in this Presidency, and there is no reason to anticipate any difficulty in carrying out the wishes of the Government of India when their detailed instructions are received. They will be informed accordingly.
