*Proceedings of the Madras Government, Revenue Department,
30th March 1868.*

No. 535. Read the following Proceedings of the Board of Revenue, dated 14th March 1868, No. 1,876.

Read the following letter from the Collector of Kurnool, to the Secretary to the Board of Revenue, dated 24th February 1868, No. 74 :—

I have the honor to forward, for submission to Government through the Board, a letter from Deputy Collector at Nandial, with its enclosures, applying for the transfer to the Madras Irrigation and Canal Company, of 1 Acre and 49 Cents of dry land, in the village of Sultanpuram, in the Nizam's dominions, and request that the necessary application may be made to the Nizam's Government for the early transfer of the land in question.

From the Deputy Collector, Nandial, to the Collector of Kurnool, dated Sirwell, 17th February 1868, No. 22.

1. In submitting, herewith, two letters bearing Nos. 22 and 26, and a Plan No. 315, from the Assistant to the Chief Engineer of the Madras Irrigation and Canal Company, applying for 1 Acre and 49 Cents of dry land, situated in the village of Sultanpuram, in the Nizam's dominions, I beg that you will be pleased to obtain the sanction of His Highness the Nizam, through the Resident of Hyderabad, for the transfer of the lands to the Company.

2. As the lands were to be measured, I was not able to address this letter to you earlier than this.

From Mr. J. F. SCHWARTZ, Assistant to Chief Engineer, to the Deputy Collector on special duty, Nandial, dated Kurnool, 14th January 1868, No. 22.

1. I have the honor to enclose a plan of some Class B. land *very urgently* required in Sultanpur village.

2. I should apply for it in the usual manner were it not that time is of great consequence, and I now wish to ask your permission to let Mr. Knorpp, the Divisional Engineer, enter upon the land in anticipation of its being formally made over.

3. I may add that the land is demarked. The centre line of canal is not quite accurately laid down on the plan, but the position of the Sultanpur tunnel is shewn, and is sufficient to define the position of the land.

4. As soon as I have had time to confer with Mr. Knorpp, I shall send you a correct plan, in duplicate, with the usual formal application. In the meantime, I should esteem it as a great favor if we could be allowed to enter upon the land within a week, or ten days at most.

From Mr. J. F. SCHWARTZ, Assistant to Chief Engineer, to the Deputy Collector on special duty, dated Kurnool, 3rd February 1868, No. 26.

I have the honor to forward, per book post, the undermentioned land plan and schedule for land required under Class B.

2. Please return the Chief Engineer's copy duly attested as correct.
