1. From the Godavery District Return, the Board observed that Mr. Graham, the Assistant Collector, had been on tour for only eleven days during the quarter. The Collector's attention was accordingly drawn to the instructions conveyed in the Board's Standing Circular, No. 389, on the subject.

2. Mr. Newman, Assistant Collector of the Kistna District, appears to have been moving about the district, but it is not stated whether his tours were within or beyond his division.

3. From the Madras and North Arcot Returns, it will be observed that Messrs. Jones and Gibson, Assistant Collectors, rarely moved from their head-quarters. The former Officer spent but three days in Poonamallee, and the latter was only out one day during the quarter. The attention of the Collectors of Madras and North Arcot will be drawn to the Board's Standing Order, No. 389, and they will be requested to act up to the instructions therein conveyed as regards the employment of Assistants.

4. In South Arcot, Mr. Rice, Assistant Collector, does not appear to have moved from his head-quarters at all. The Collector is requested to report whether there was any special reason against his making the usual short tours through the portions of the district committed to his charge.

5. The delay in the submission of these Returns has been occasioned by the non-receipt of the Return from North Arcot until the 21st December 1867.
