Proceedings of the Madras Government, Public Works Department, 6th January 1868.

No. 52. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 30th December 1867, No. 148 :—

1. I have the honor to report that no Imperial allotments are required in the current official year for the Chuttrums at Beypoor, alluded to in the 2nd paragraph of G. O. No. 3,958, of 21st December. It will be as much as the Calicut Range Officer can do to spend the grants from Local Funds.

2. I take this opportunity of remarking that the Revenue Board appear to have overlooked the cost of the privy and site of the Erode Chuttrum, which make up a total of Rupees 7,200; whereof a moiety is correctly provided from Local Funds in the 2nd Supplemental Budget, sanctioned in G. O., No. 2,782 of 20th November, and the other moiety has also been correctly provided from Imperial Funds in G. O., No. 1,874 of 22nd June.

No. 53. ORDER THEREON, 6th January 1868, No. 28.
