the Board of Revenue, dated Calicut, 17th December 1866, No. 322.

In Board's Proceedings noted, I have the honor to state that
the items I there propose to transfer
from the District Road Funds are not

It was on that account that I proposed to transfer
where work is urgently required, and for which work
Local Funds provided.

In paragraph of the Board's Proceedings, I have the
proceeds of all Ferry Farms in the district, whether on
carried to the Local Funds, and, I trust, will continue
being given to Local Funds, where neces-

the works now under immediate reference may be
conducted, or various other convenience may arise.

Ordered that the foregoing papers be submitted for the consideration and
order of Government.

In view of the apparent urgency of the case (for the Board infer that the
money is required are not safe in their present
the proposed transfer of Local Funds as an advance
material grant next year.

The proceeds of Ferry Farms on Imperial lines of road are rightly credited
to Local Funds, under the orders of the Supreme Government; but the repairs of
the roads should be a first charge on them.

Ordered that the same be referred to Circular Order, (Standing No. XXII.,) dated
15th March 1866.

Sanctioned, as recommended by
the Board in paragraph 2 of their
Proceedings.
