*Proceedings of the Madras Government, Revenue Department,
2nd April 1868.*

No. 48. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Ootacamund, 26th March 1868, No. 639 —

Lieutenant Gosling, Acting Deputy Conservator of the Annamallay Range, was granted privilege leave for a period of one month, last December and January; he has now been retrenched his pay for this period, as his appointment is only an acting one. Some change is absolutely necessary for the officer in charge of the Annamallay Range, and at the time Lieutenant Gosling took this leave he was suffering from fever, and if I had known that he would have lost his allowances, I should have allowed him to proceed to Madras on duty; I have the honor to request that the leave he took may be cancelled as privilege leave, and that he may be considered to have visited Madras on duty, as he carried on the work of the range, and attended at the Central Office. The leave alluded to above was from the 16th of ~~January~~ ^{December} to the 14th of ~~February~~ ^{January}.

No. 49. ORDER THEREON, 2nd April 1868, No. 869.

Forests, No. 4.

Under the circumstances stated, Lieutenant Gosling will be considered to have been at Madras on duty from 16th ~~January~~ ^{December} to 14th ~~February~~ ^{January}, and the Accountant General is authorized to withdraw his retrenchment.
