*Proceedings of the Madras Government, Revenue Department,
11th January 1868.*

No. 174. Read the following letter from the Collector of Bellary, to the Secretary to Government, Revenue Department, Fort St. George, dated Camp at Vaimulpaud, Tadpatri Talook, 21st December 1867, No. 65:—

1. I have the honor to enclose an original communication from Mr. Senior Apothecary R. T. Thompson, temporarily attached to the Collectorate of Bellary, and now on circuit with me.

2. Government, on the 2nd December 1850, sanctioned the issue of an Hospital tent for the use of the Medical Officer attached to the Collector of Bellary, while on circuit. This tent, after seventeen years' service, became unserviceable, and another was indented for.

3. The Quarter Master General having returned the Indent unsanctioned, my Apothecary has no shelter for the Medical Stores.

4. I have already marched more than 200 miles, and have probably as much more travelling before me. I need hardly point out the inconvenience involved by the cancelment of the original sanctioned issue of the Hospital tent, and beg that Government will be pleased to accord a renewed sanction.

5. The Deputy Assistant Quarter Master General's C. D. letter is enclosed for reference and return.

No. 175. ORDER THEREON, 11th January 1868, No. 89.

Miscellaneous.

The Board of Revenue will be requested to ascertain and report whether any special necessity exists in the Bellary District for this assistance from the Military Tent Equipage Department, which, so far as the Government are aware, is not afforded or sought in any other district.

The Collector of Bellary

Sir,
The Quarter Master General of the Army having returned unsanctioned your indent for one Tent & stove supplied for the protection and custody of medicines with the collector of Bellary pointing out that the issue is inadmissible vide G.O. G.O. No 153 of 6th December 1865, I have the honor to request that the Tent above referred to may be returned into the Arsenal as early as possible.

To The Collector of Bellary.

No. 2290. dated 22nd Decr. 1867. In returning to you the enclosed letter, number, date &c as per margin, I beg to inform your Office to report that I have in accordance with the request conveyed, returned into the Arsenal of Bellary, the Tent therein referred to. I am doing so.

I beg respectfully to draw your attention to the serious inconvenience I am at present exposed to, the medicines committed to my charge, of which there are 3 boxes, besides Hospital Records - for the preservation of which I am held responsible, being now left without any sort of protection.

On consulting the Records of the Hospital, I find that by a Resolution of Government, copy of which I beg to annex, a Tent has been sanctioned, I was duly supplied for the use of the Medical Dep. attached to the Collectorate of Bellary, when travelling on Circuit through the District. The Tent hitherto in use, extending over a period of 16 years, having become totally unserviceable, I adopted the usual course of returning it into Store,

submitting through you an indent
on another. It appears to me that
the Quarter Master General, in
refusing to sanction this Indent,
has acted under an erroneous
impression, the Order under which
the supply is said to be inadmissible
being inapplicable, & foreign to
the present emergency - Vide G.O.C.C.
No. 153 of 6th December 1865.
Under these circumstances, I trust
you will be pleased to take
such steps, as to you may seem
to be called for on the present
occasion.

I have the honor to be
Sir,

Your most obedient
servant
