Proceedings of the Madras Government, Revenue Department,
6th April 1868.

No. 118. Read the following Proceedings of the Board of Revenue, dated 28th March 1868, No. 2,267.

Read the following letter from the Collector of Madura, to the Secretary to the Board of Revenue, dated Chinnamanur, 13th December 1867, No. 343 :—

1. With reference to paragraph 3 of the Board's Proceedings, dated the 4th July last, No. 4,170, directing me among other Collectors to report whether any portion of the accumulations in the Choultries may be utilized in any way without violating the intention of the original endowment, I have the honor to state that the balance accumulated at the beginning of this official year was only Rupees 11,074, which, together with any surplus income that may remain in the current year, will have to be laid out in constructing a new Chuttrum at Muttanendal, for which an estimate of Rupees 10,000 has been framed, and in repairing certain Chuttrums and the irrigation sources of the villages attached to them on the estimate of Rupees 12,485.

2. Under the above circumstances, I do not believe that there will be any balance available for expenditure in any other way for some time to come.

Submitted to Government, with reference to paragraph 15 of their Proceedings, dated 10th May 1867, No. 1,067.
