*Proceedings of the Madras Government, Revenue Department,
6th April 1868.*

No. 132. Read the following letter from the President of the Chinchona Commission, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 3rd April 1868 :—

1. Being now in a position to prepare, for submission to Government, a final report on the therapeutical value of the Chinchona alkaloids, I have the honor to suggest that Deputy Inspector General Orr, who has had large experience of fever, be nominated as a Member of the Commission, in consequence of the retirement of its late President Mr. Shaw, whose position has devolved upon me.

2. I would further beg to suggest that Deputy Inspector General Barclay, of the British Medical Service, be nominated as an additional Member. His experience of fever in this country has been extensive, and his opinion would doubtless carry weight with the profession.

3. I would solicit the early sanction of Government to my calling a Meeting of the Commission at Madras, for the purpose of completing the report, as Dr. Inglis, one of the Members, is about shortly to return to England.

No. 133. ORDER THEREON, 6th April 1868, No. 909.

Miscellaneous.

1. Agreeably to Dr. Mackenzie's recommendation, the Government are pleased to appoint Deputy Inspectors

General J. H. Orr, C. B., and A. Barclay, to be Members of the Chinchona Commission.

2. Dr. Mackenzie's proposal to convene a Meeting of the Commission at Madras will be referred to the Military Department for early orders.
