No. 911.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

Local Funds, No. 7.

Civil Works.

1. I am directed to acknowledge receipt of your letter, dated 12th March 1868, No. 174 A, and to inform you in

reply that the Progress Report of Public Works, undertaken from Local Funds during 1866-67, alluded to therein, has been referred to by this Government; but that they see no reason to alter the opinion expressed in my letter, dated 21st January 1868, No. 157.

2. The available funds, and the outlay in 1866-67, specified in paragraph 3 of your letter, appertain to the several sub-heads under "Local Funds," the operations under each of which are kept distinct, as shewn in the detailed Statement appended to paragraph 3 of the Progress Report alluded to. The savings from any of the sub-heads, except that under "Public Bungalow Funds," the transactions under which are very limited, cannot be made use of for the maintenance of stage bungalows, for the reasons already explained in paragraph 2 of my letter of 21st January 1868, No. 157.

3. The surplus of Rupees 1,87,751, to which you allude, was probably not more than sufficient to allow of the works in progress being continued in anticipation of current receipts in the year succeeding that to which the report you quote had reference.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) W. HUDLESTON,
Secretary to Government.
