No. 319.

edings of His Excellency the Right Honorable the Gover-
in Council in the Military Department, under date the 5th

9, dated 24th January 1868, from the Right Honorable the
India, with annexures, respecting the expediency of prevent-
delay in posting to the Staff Corps Officers who have completed
n.

The Right Honorable the Governor General in Council
little delay is inevitable in all cases, as the probationer has to
s papers and certificates to be submitted.
it has been decided that periods of general leave, whether on
medical certificate, cannot reckon as part of the year's probation
candidate; and, though private general leave should not be
it cannot properly be always refused, whilst the grant of sick

ency in Council, however, considers that more may be done
done to ensure the avoidance of all delay that is not absolutely
as to render unnecessary the frequent references from His Excel-
der-in-Chief, respecting officers who have been more than a year
are in too many cases suffered so to remain till enquiry is made

llency in Council is therefore pleased to direct that in future
epartment,—or in the cases of probationers in Civil appoint-
officer under whom the officer is serving,—shall be held responsi-
n to be examined without delay, or for *at once* reporting for the
overnment any circumstances that may prevent this being done,
the period of one year; and further that the date of admission to
will be one year only prior to the date on which the candidate
ry tests, unless he can make it plain that he used every endeavour
imely application, &c., to avoid delay in his examination.

a copy of the above be forwarded to the Secretary to Govern-
George, Military Department, accompanied by copy of the letter
y of State, for the information of the Right Honorable the Gover-
ith the request that similar orders may be issued in the Madras
