*The Collector reports that three Yeomiah have been transferred from this column to "Life" to which head they properly belong on further examination.

†The Collector states that the decrease, on the 31st December 1865, is owing to the death of a sharer in Yeomiah No. 22.

**Proceedings of the Madras Government, Revenue Department,
11th January 1868.**

1. Ordered that the foregoing Statement for 1865 be submitted to Government, with reference to their Order, dated 8th August 1864, No. 1,424.

2. The allowances current on 31st December 1864, amounted in the aggregate to Rs. 61,204, and on 31st December 1865 to Rupees 60,407, or Rupees 797 less than in the former year. The particulars are given below:—

3. In the Statement for 1864, submitted to Government with the Board's Proceedings, dated 17th June 1865, No. 3,295, the allowances current on 31st December 1864, amounted to Rupees 64,795; but deducting from this sum Rupees 37 under the subsequent explanation of the Collector of Trichinopoly, submitted to Government in Board's Proceedings, dated 30th October 1865, No.

6,946, the actual amount was Rupees 64,758, or Rupees 3,554*

* Formerly given... .. 64,758
Now given 61,204
Difference... .. 3,554
in excess of the total now given for that year. This excess consists of Rupees 3,430, the amount of certain allowances in Ganjam, which have been excluded from the present Statement because they are not Yeomiah payments; of Rupees 120, the sum of the discrepancies apparent between the former and present Returns from South Arcot and Kistna; and of Rupees 4 resulting from the omission of all fractional parts of a rupee from the Collectors' statements.

**Proceedings of the Madras Government, Revenue Department,
11th January 1868.**

4. The Collectors of Kistna and South Arcot will be requested to explain the discrepancies alluded to above, and particularized below:—

5. There are no Yeomiahdars in Ganjam, Coimbatore, and South Canara.

6. The delay in submitting this Statement is owing, in the first place, to the late receipt, (8th March 1867,) of the South Arcot Return, caused by a misunderstanding on the part of the Collector's office as to the proper form in which it was to be furnished; and secondly, to a reference made in the month of May following, (after the Board's statement had been prepared,) to the Acting Collector of Madras, regarding certain discrepancies in his Return which was not replied to until the 28th November 1867, when many alterations had to be made.

7. The Statement for 1866 will be submitted to Government shortly, as the Returns from all the Districts have been received.

No. 181. ORDER THEREON, 11th January 1868, No. 92.
