*Proceedings of the Madras Government, Revenue Department,
8th April 1868.*

No. 194. Read the following Proceedings of the Board of Revenue, dated 17th March 1868, No. 1,916.

Read the following letter from C. B. VICKERS, Esq., to the Collector of Ganjam, on Circuit, dated Aska, 7th January 1868 :—

1. I have the honor to append a statement and sketch as to outturn of the Carolina paddy supplied to me in May last by Government for experiment.

2. You will observe from the sketch of the field that two other sorts of paddy were planted side by side with that above referred to.

3. The country paddy was reaped on 25th November, and both sorts of Carolina were not cut till 4th December.

4. The yield of the country paddy was very uneven; but the result as a whole is far in advance of both Carolina sorts. In the sketch, "Government" signifies the Carolina seed received in May last, "Factory" the seed reaped by me last season from Carolina paddy supplied by Government in 1866, and "Aska" means the ordinary country seed.

5. I shall try the experiment again next season with the Carolina seed now reaped.
