No. 218. Read the following Proceedings of the Board of Revenue, dated 16th March 1868, No. 1,889 :—

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated Camp at Tettu, 31st January 1868, No. 282.

1. I have the honor to submit, herewith, the report of the Committee on the Cattle Show held at Addanki, on the 21st and 22nd January 1868.

2. This annual show was established in 1859, consequently this was the tenth meeting, and I am glad to state that all those who were present on former occasions consider that the results of this year are more favorable than any hitherto obtained. It is true that the number of cattle brought up to compete was smaller than in last year, but the number of really fine animals was much greater than on any previous occasion. Owners of cattle of an indifferent description did not take the trouble to bring them up. There was a marked falling off in the number of the older stock exhibited, but a very large increase in the number of good cattle, two year olds and under, both bulls and heifers; and a large increase in the number of cows of superior quality. Both these facts attest the beneficial influence that this annual show is exerting. The marked excellence of the younger stock exhibited proves that more careful attention is being given to breeding, while it is also gratifying to notice that equal attention is beginning to be given to the rearing of cows as of bulls. The show of cows is pronounced never to have been so good as this year.

3. It is to be regretted that the area of competition remains so confined. The Kistna District sent up very few specimens this year, and the cattle that carried off the prizes, with but three exceptions, came entirely from the two Nellore Talooks of Ongole and Kandukur, the fertile plains watered by the Musi, the Palair, and the Gundlakamma rivers. The three exceptions were from the Kistna District.

4. One effect of these annual exhibitions has been to raise the prices of cattle, as well as to spread the fame of one particular breed. I have this year received commissions to buy three bulls for Rupees 1,000 for the Collector of Kandesh, and Rupees 800 to buy a similar number for the Central Provinces.

The cost of the show this year has been Rupees 1,596-10-6—

Regular prizes	1,494	0	0
Special prizes	80	0	0
Sundry expenses including fodder	22	10	6
Total...	1,596	10	6

I have the honor to request sanction for the disbursement of the amount, and to recommend that another Cattle show may be held next year at the same time and place.

5. I would also request instructions as to whether an Agricultural Exhibition should not also be held next year at Nellore, although the same was intermitted in the present year by the order of Government.—(Government Order, dated 10th April 1867, No. 825.)

In this class, there was an increase in the number of animals exhibited, sixteen being entered against nine in the previous year. In the quality also there was a perceptible improvement, so much so, that, whereas in the previous year only one animal was deemed deserving of a prize, in this year a special prize was as well awarded, the competition being remarkably keen. The first prize was won by Bolineni Adinarayadu, of Yenikapad; the second, by Nagineni Ramudu of the same village; the third, by Chittabattuni Chentsu Nayadu, of Chendalur; all of the Ongole Talook; and the special prize of Rupees 7 by Kanta Govindu, of Pamidipad, of the Kandukur Talook.

There was a good show of seventeen two year olds, four less than in the previous year. The first prize was carried off by Kanta Govindu, of Pamidipad, in the Kandukur Talook ; the second, by Peritala Venkatadri Nayadu, of Polupad, in the Kanigiri Talook ; and the third, by Madala Ramudu, of Nidamalur, in the Ongole Talook. A special prize of Rupees 6 was also awarded to Muddana Subbarayadu, of Jaggapuram, in Rajahpett Talook, of the Kistna District.

*Proceedings of the Madras Government, Revenue Department,

Eighteen very good bull calves were entered against eleven in the previous year. All were most promising animals; and the first prize was adjudged to Chegonda Chentsugadu, of Nidamalur, in the Ongole Talook; the second, to Chittabattune Chentsu Nayadu, of Chendalur, also in the above talook; and the third, to Cheganti Chendraya, of Kamepalli, in the Kandukur Talook. Considering the excellence of the young animals, two special prizes of Rupees 5 each were as well given in this class to Addepalli Ramudu, and Dodla Kotadu, respectively, of Nidamalur and Santanutalapad, in the Ongole Talook.

Both as regards number and quality the show of cows was equal to the exhibition of the previous years, and remarkably good. The first prize was unanimously awarded to Addepalli Ramadu, of Nidamalur, for an exceedingly handsome and well-bred animal; the second, to Donempudi Lachminarsugadu of the same village; and the third, to Billa Subbadu, of Tangtur, all villages of the Ongole Talook. The prize cow of the previous year was at the show with a calf at heel, and was not considered equal to that which was successful on this occasion.

Twenty-eight excellent animals were exhibited in this class, and though the number was less by twenty-two than last year, the quality was so uniformly good, that considerable difficulty was experienced in deciding between the competitors; two special prizes of Rupees 10 each were awarded. The four prizes were given respectively to Bobbari Ramanna, of Venkanapalem, in the Kandukur Talook; to Mittanasa Venkatasagadu, of Tangtur, in the Ongole Talook; to Ainampudi Chendrigadu, and Vaka Virareddi, both of Nidamalur in the latter talook; and two special prizes to Kambham Kasigadu, of Pernamitta, and Yeluchuri Lachmigadu, of Tangtur, both of the Ongole Talook.

There were a good show of fourteen heifers under this class, two in excess of the entries of last year. The three prizes fell to Yeluchuri Singarigadu, of Tangtur, Ongole Talook; to Chodabattuni Adivigadu, of Tumada, Kandukur Talook; and to Gadde Venkatasem, of Annavaram, in the Bapatla Talook of the Kistna District. A special prize of Rupees 7 awarded in this class was gained by Ballikora Chendrigadu, of Nandanavanam, in the Kandukur Talook.

*Proceedings of the Madras Government, Revenue Department,
8th April 1868.*

The best show of heifer calves ever exhibited both in number and quality. There were sixteen entries against five last year. The prizes were adjudged respectively to Devarapalli Ramadu, of Tangtur; to Donempudi Pichaya, of Nidamalur; to Devarapalli Totadu, of Tangtur; all of the Ongole Talook; and to Kamjula Narsareddi, of Uppalapad, of the Kandukur Talook. Considering the excellence of the young animals, a special prize of Rupees 5, which fell to Billa Subbadu also of Tangtur, was added by the Committee.

Working Cattle. { First Prize, Rupees 70.
Second do. " 45.
Third do. " 20.

There was a very good exhibition of fifteen pairs of working cattle against twelve at the last show. The first prize was adjudged to Kanta Pichanna, of Uppaladinna, in the Kandukur Talook; the second, to Bolinedi Ramaswamy, of Yenikapad, of the Ongole Talook; and the third, to Chaganti Venkaya, of Kamepalli, in the Kandukur Talook.

The Committee observe that, though the number of cattle, on the whole, exhibited this year, has considerably fallen off, there being 212 head of cattle this year in comparison with 241 last, a greater uniformity is noticeable in excellence. The falling off is chiefly to be noticed in the older stock. The specimens of full grown bulls were far from equal to former years.

There was a very marked increase in the number of animals of two years old and under, which the Committee are very glad to notice, as this indicates that the annual show, at Addanki, is having a very favorable influence, and is encouraging the breeding of good stock.

The Committee note with regret the very small number of cattle that were sent up from the Kistna District, and the still smaller number of those that received any favorable notice. The greater part of the exhibitors came, as heretofore, from the Nellore Talooks of Ongole and Kandukur. Very few animals were brought from the neighbouring Zemindary tracts. The village of Nidamalur, in the Ongole Talook, was conspicuous again, as usual, in having the largest number of successful competitors among the stock sent up.

The Committee notice a marked progressive improvement in the number of the female stock exhibited this year, which is very satisfactory as indicating removal of superstitious prejudices, and the recognised necessity of rearing cattle of both sexes with equal care and attention.

The past season has been a fair one in the northern portion of the Nellore District, and the pasturage on the whole good. The state of things in the Kistna District is reported by its representatives not to have been so favorable.

ENCLOSURE No. 2.—Prize list.

ENCLOSURE No. 3.

ABSTRACT.—Memorandum shewing the particulars of the expenditure incurred for the Cattle Show held at Addanki, on the 21st and 22nd January 1868.

1. Submitted for the information of Government, with the Board's request that Mr. Boswell's expenditure, amounting to Rupees 1,596-10-6, may be sanctioned.

2. The Board consider the exhibition to have been satisfactory upon the whole, and they request permission to convey the thanks of Government to the gentlemen who acted as judges.

3. If the Madras Agricultural Exhibition is to be held in January 1869, as was at one time proposed, the Board think that it would be well to defer the next Nellore Exhibition until 1870, but this would not, of course, interfere with the annual Cattle Show at Addanki, the date of which, however, should be so fixed as not to interfere with the Madras Show.

No. 219.

ORDER THEREON, 8th April 1868, No. 952.

Miscellaneous.

1. The Government consider that the results of the last Addanki Cattle Show as reported were decidedly satis-

factory, and sanction the charges incurred, viz., Rupees 1,596-10-6.

2. They approve the proposal to hold a similar Show at Addanki in 1869, the precise date being fixed by the Board so as not to interfere with any Agricultural Exhibition at Madras.

3. The Government are unwilling to defer the Nellore Exhibition beyond 1869, lest the interest excited by past Exhibitions should die out. The Nellore District has maintained such marked pre-eminence in this matter, and the present season is so unpromising in the Madras District, that it would seem preferable to postpone the Madras Exhibition to 1870.

The Govt. considers that
the results of the last Addanki
Cattle Show as reported were
decidedly satisfactory. Satisfactory
the charges incurred viz. \$
\$1596-10-0. They approve
the proposal to hold a similar
show at Addanki in 1869
the precise date being fixed
by the Govt. So as not to
interfere with any Agric. Show
at the same time. The Govt. are
willing to defer the Bullion
Show beyond 1869. lest the
interest excited by past Exhibitions
shall die out. The Bullion Show has
maintained such a successful
pre-eminence in this matter.
