*Proceedings of the Madras Government, Revenue Department,
15th April 1868.*

No. 240. Read the following Proceedings of the Board of Revenue, dated 25th March 1868, No. 2,152.

Read the following letter from the Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated Uppinangadi talook, 15th February 1868, No. 179:—

1. I have the honor to request that the Board of Revenue will be pleased to obtain and communicate to me, the orders of Government as to how I am to deal with the Inam grant* noted in the

	Annual allowance.

margin, regarding which a tabular report was submitted from this office, under date the 12th July 1866, and a special recommendation† was made by the Board to Government for the continuation of the grant to one Nagappa.

† Board's Proceedings, 18th August 1866, No. 5,840, and 6th October 1866, No. 7,167.

2. I have taken up the re-classification and final disposal of the Kistbundy Inams of this district, in accordance with the instructions conveyed in the Proceedings of Government, dated 12th September last, No. 2,164; but do not find in the above order any allusion to this particular allowance, which formed item No. 58 in the Statement No. 4 of "Personal Grants," which accompanied my predecessor's letter, dated 20th October 1866, No. 204.

1. Submitted for the orders of Government.

2. In Board's Proceedings, dated 19th July 1867, No. 4,563, the allowance to which the Acting Collector refers was considered as an hereditary grant, and in Government Order, dated 13th September 1867, No. 2,164, Government ruled that political hereditary grants should be continued on the terms prescribed with respect to each.

3. From the history of the case recorded in Board's Proceedings, dated 18th August 1866, No. 5,840, it appears that the allowance is a reward for service, and that it is not expressly made hereditary, though it has been enjoyed for upwards of ninety years.

4. The Board are not certain that Government had this allowance and the doubt about its perpetuity in view when ruling that hereditary grants should be continued, and accordingly request orders on the subject. They are still of opinion that it should not be resumed.

No. 241. ORDER THEREON, 15th April 1868, No. 962.

Miscellaneous.

It was the intention of Government in their Order of 13th September 1867 to recognize the grant in question as hereditary in its nature.
