1. In G. O., No. 1,701, of 29th June 1863, the entertainment of a Superintendent on a monthly salary of Rupees 15, and four Lascars, at 6 Rupees each, is sanctioned for the conservancy of the river embankment between Polaram and Vizeswaram, a distance of 26 miles, for a period of six months in each year, the embankment being watched from June to November during freshes, and left for the remaining months without any Peon or Lascar to look after it.

2. The Executive Engineer of the Range having brought to my notice that the embankment is much injured by cattle during the dry weather, I have the honor to request that the necessary sanction may be accorded to the establishment, as proposed in the enclosed application, being maintained throughout each year ; the additional cost under this head will be Rupees 234, but the expected income, as reported by the Executive Engineer concerned, is greater, viz :—
