MADRAS RECORD OFFICE.

Government of Madras.

Revenue **DEPARTMENT.**

G.O. No.	994	Press ~~Mis.~~
323-24. Dated	16-4-	1868.

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
16*th April* 1868.

No. 323. Read the following Proceedings of the Board of Revenue, dated 8th April 1868.

Read the following:—

Season Report, North Arcot, for the fortnight ending 31*st March* 1868.

RAIN-FALL.—None.

STATE OF CROPS.—No further cultivation in dry lands. Manakattai paddy was sown to a small extent in well irrigated wet lands. Springs in wells failing, and consequently the Jonna crops dependant on them were drooping. Oil-seed in dry, and Samba paddy in wet land have been harvested. The outturn was between one-eighth and one-fourth of an average crop.

PRICES—On the whole stationary.

PUBLIC HEALTH.—Fever was prevalent in the Poloor and Palamnair talooks. Small-pox in Vellore and Wandewash talooks. Pasturage and water becoming very scarce in the Poloor, Wandewash, Vellore, and Palamnair talooks. A species of murrain called "Komari" prevalent in all talooks. "Vakkai" and "Adapan" in the Vellore and Poloor talooks.

(Signed) G. VANS AGNEW,
Acting Collector.

CHITTOOR,
6*th April* 1868.

Submitted for the information of Government.

No. 324. ORDER THEREON, 16th April 1868, No. 994.

Miscellaneous.

Ordered to be recorded.

(True Extract.)

(Signed) W. HUDLESTON,
Secretary to Government.
