*Proceedings of the Madras Government, Revenue Department,
16th April 1868.*

No. 327. Read the following Proceedings of the Board of Revenue, dated 1st April 1868, No. 2,380.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Camp at Pauberagam, 2nd March 1868, No. 173 :—

1. With reference to the Docket of the Board, No. — of 10th February ultimo, communicating paragraph 2 of the Government Order of the 4th instant, No. 311, I have the honor to explain that the Pagoda allowance in question is drawn on a ticket made out in the name of five persons. It has always been usual in the district to pay the money only on the joint receipt of the parties, it being, of course, open to any co-parcener to empower a Vakeel to act for him.

2. In future, unless I am instructed to the contrary, I propose to pay the allowance on the receipt of any one shareholder, the others having their legal remedy over, in the not improbable event of subsequent disputes.

1. Submitted to Government, with reference to their Order quoted by the Collector.

2. The course proposed by Mr. Carmichael in paragraph 2, for the future payment of this allowance, appears unobjectionable.

No. 328. ORDER THEREON, 16th April 1868, No. 996.

Miscellaneous.

The allowance in question being for Temple Service, the Government concur in the opinion that so long as the service is performed, the amount may be disbursed to any one of the office-holders concerned.
