*Proceedings of the Madras Government, Revenue Department,
23th January 1868.*

No. 475. Read the following letter from the Officiating Conservator of Forests, to the Secretary to Government, Revenue Department, Fort St. George, dated Madras, 13th January 1868, No. 477:—

By G. O., 11th October 1867, No. 2,395, the appointment of a second class Overseer was sanctioned for the Cuddapah forests on Rupees 80 per mensem. Cuddapah and North Arcot form one forest range under the same officer, and as the North Arcot Overseership is only a third class, with a salary of 60 Rupees, it was Dr. Cleghorn's intention to have promoted that Overseer to Cuddapah and to have nominated the new Overseer to North Arcot. Mr. Brougham, who holds the North Arcot appointment, is just now engaged in important operations in connection with reserves and plantation and their survey and demarcation, he is clearly entitled to the promotion which takes place in his range, but it would be detrimental to remove him to Cuddapah at present, I have the honor, therefore, to request sanction that the two appointments of second and third class Overseers may be attached to the range, without reference to which division they may be employed in. Cuddapah may become the most important appointment of the two, but at present North Arcot is so.
