No. 66. Read the following letter from Major R. H. BEDDOME, Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Ootacamund, 5th April 1869, No. 1,284:—

With reference to your official memorandum, No. 31, of the 31st ultimo, I have the honor to inform you that the pay of the 1st Class Overseer, sanctioned in G. O., No. 248, of the 28th of January last, will be Rupees 100 per mensem, *plus* Travelling Allowance. As his travelling will be solely by rail to and from the different plantations, I should prefer the plan of purchasing monthly a 2nd Class Railway Ticket for travelling between Cuddapah and Gooty, to the granting of ordinary Travelling Allowance. As the plantations are intended solely for Railway fuel, I applied to the Agent to know if he could grant a free 2nd Class Ticket; this has been declined, so I would propose to fix the Travelling Allowance at the price of the ticket.

2. The Collector of Bellary, who is now handing over the tract at Gooty, has applied for the sum of Rupees 826, to be paid as compensation to the proprietors of the Puttah and Inam lands taken up by him within the blocks: I request sanction for the transfer of this amount from the working charges of Cuddapah to that of Bellary; I also request that 1,000 Rupees may be similarly transferred for the working charges of the tract in the Bellary District; the two other tracts being in Cuddapah, their working charges can be met from the sanctioned grant for that Range.

3. Mr. Yardo has been carefully over the three tracts, and he is prepared to take charge on the 1st of May, 1869, on which date Mr. Brougham will be transferred from North Arcot.

4. One Head Gardener or Maistry and three Under Gardeners will be required permanently in each plantation, and one Peon will be necessary for the Office. The following will, therefore, be the fixed establishment (in addition to the Overseer), for which I request sanction:—

	RS.
3 Head Gardeners or Maistries, at 10 Rupees each	30
9 Under Gardeners, at 6 Rupees each	54
1 Office Peon, at 7 Rupees	7
	—
Per Mensem	91

5. These charges can be met from the Budget by a transfer from the Central Office Establishment.

No. 67. ORDER THEREON, 4th May 1869, No. 1,219.

Forests, No. 4.

In G. O., 28th January 1869, No. 248, the Government granted authority for certain tracts in the Cuddapah and

Bellary Districts being taken up by the Forest Department as Railway Fuel Reserves, and they sanctioned the appointment of an Overseer for the charge of these plantations.

2. The Officiating Conservator of Forests now states that the pay of this Overseer, (who is to be of the 1st Class,) will be Rupees 100 per mensem. This amount is accordingly sanctioned.

4th May 1869.*

3. As this Overseer's travelling will be solely by rail to and from the plantations, Major Beddome proposes that in lieu of the grant to him of ordinary Travelling Allowance, he should be permitted to purchase monthly a 2nd Class Railway Ticket for travelling between Cuddapah and Gooty. This proposal is sanctioned. The price of the ticket should be debited to the contingencies of the plantations.

4. Sanction is also granted for the employment of the establishment of Gardeners, etc., for the plantations (in addition to the Overseer), proposed by Major Beddome in paragraph 4, at a cost of Rupees 91 per mensem. This charge, as well as that on account of the Overseer's salary, amounting in all to Rupees 191 per mensem, will be reported to the Government of India in the statement of charges for the current month.

5. With reference to paragraph 2 of Major Beddome's letter, the Government sanction the transfer of the two sums therein specified from Cuddapah (working charges) to Bellary, viz., Rupees 826, to be paid as compensation to the proprietors of the Puttah and Inam lands taken up by the Collector of Bellary for the tract at Gooty, and Rupees 1,000 required for the working charges of this tract.
