*Proceedings of the Madras Government, Revenue Department,
5th May 1869.*

No. 105. Read the following Proceedings of the Board of Revenue, dated 17th April 1869, No. 2,602 :—

Read the following letter from the Collector of Nellore, to the Acting Secretary to the Board of Revenue, dated 11th March 1869, No. 590.

With reference to the Order of Government, dated 17th March 1868, No. 696, (Miscellaneous), sanctioning the employment of a Tappal Goomastah at Addanki, I have the honor to request the Board's sanction for attaching to the Ongole Station the 10 Rupees post sanctioned for Addanki, and giving Addanki the Goomastah on 7 Rupees now employed at Ongole, and for revising the District Mulki Establishment List accordingly.

2. This change is proposed in reference to the relative importance of the two places and the quantity of work devolving upon each. Ongole is a much larger and busier place than Addanki. The number of letters, etc., passing through the Ongole Post Office appears to be as large as 2,368 a-month on the average.

Vide letter, dated 20th November 1867, No. 1,474.

It would appear also that in the application made for Addanki by Mr. Boswell, Acting Collector, a pay of only 7 Rupees was recommended.

3. As the present proposal involves no additional charge I request the Board's sanction for altering the Establishment List as referred to above.

SUBMITTED for the orders of Government, with reference to Government Order, 17th March 1868, No. 696.

2. A Tappal Goomastah at Rupees 10 a-month is now employed at Addanki and one at Rupees 7 a-month at Ongole.

3. The Collector recommends that the higher paid appointment should be that at Ongole which is the more important place, and the Board concur with him.

No. 106. ORDER THEREON, 5th May 1869, No. 1,239.

Miscellaneous.

THE transfer of the Tappal Goomastahs, proposed by the Collector of Nellore and recommended by the Board of Revenue, is sanctioned.
