*Proceedings of the Madras Government, Revenue Department,
8th May 1869.*

No. 171. Read the following letter from the Commissioner of Neilgherries, to the Chief Secretary to Government of Madras, dated Ootacamund, 23rd April 1869, No. 11 :—

I HAVE the honor to forward copy of letter received from Mr. Broughton, Government Quinologist, and to solicit sanction of Government for the appointment of Mr. W. Davison as Superintendent in charge of the Alkaloid Manufactory.

From J. BROUGHTON, Esq., Government Quinologist, to the Commissioner of the Neilgherries, dated Ootacamund, 22nd April 1869.

In my Budget-Estimate for the current year (passed in G. O., No. 2,809, of 7th November 1863) is included the pay of a Superintendent in charge of Alkaloid Manufactory.

2. I propose, with the consent of Government, to place Mr. W. Davison in this post. He has been especially trained with this view for the last twenty months in my laboratory. He is well educated, having Matriculated at Madras University; is nineteen years of age; and during the time he has worked with me, his progress and conduct have been very satisfactory. I have, therefore, the honor to request that my nomination may be confirmed by Government.

3. Though the Manufactory is not yet sufficiently completed to commence operations, it is necessary that the approval of Government be ascertained in this matter.

No. 172. ORDER THEREON, 8th May 1869, No. 1,270.

Miscellaneous.

THE Government approve the appointment of Mr. W. Davison as Superintendent in charge of the Alkaloid Manufactory. The salary assigned for the post in the Budget is Rupees 100 per mensem, and the Commissioner will, in communication with Mr. Broughton, decide whether a portion of this amount only should be given to Mr. Davison at starting.
