*Proceedings of the Madras Government, Revenue Department,
10th May 1869.*

No. 236. Read the following Proceedings of the Board of Revenue, dated 12th April 1869, No. 2,482:—

Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to the Board of Revenue, dated 3rd October 1868, No. 1,593-59.

Through the kindness of the Director of Revenue Settlement, I have been furnished with a copy of Government Order, No. 958, of 8th April 1868, sanctioning a small temporary Survey Establishment for Godavery District, of which I was till then unaware.

2. Considering the qualifications of Goomastahs on a salary of Rupces 15 per mensem, I am of opinion, with reference to Proceedings Board of Revenue, of the 19th ultimo, No. 6,682, that it is altogether inadvisable to entrust work of a description requiring the use of a valuable instrument like the Theodolite to the persons composing the temporary establishment. I cannot but think that the application has been made under misapprehension.

THE Board agree with Colonel Priestley that it is not desirable to entrust work requiring such instruments as Theodolites to the agency now available for temporary employment in the Godavery District.

2. They accordingly request the Superintendent of Revenue Survey to supply a chain and such of the other articles applied for as he considers suitable.

3. The subject of a permanent establishment to be maintained in districts surveyed, but from which the Survey Department had withdrawn, was discussed in paragraph 4 of Mr. Polly's letter of the 5th May 1863, No. 1,526, and was further treated of in Proceedings of the Board, dated 15th March 1866, No. 1,813.

4. In the Government Order, 22nd May 1866, No. 1,218, disposing of their Proceedings, the Government called on the Acting Superintendent of Revenue Survey, for information as to the date on which his estimates were framed, as also on the Board to report on the advisability of charging a fee on lands surveyed.

5. The Board's reply in the negative was recorded in Government Order, dated 20th July 1866, No. 1,834, but there is nothing on the records of the Office to show what answer was sent by the Superintendent of Revenue Survey, or how the matter was finally disposed of.

6. The Board will be obliged by the Superintendent of Revenue Survey informing them as to what further steps were taken.
