*Proceedings of the Madras Government, Revenue Department,*
*11th May* 1869.

No. 268. Read the following Proceedings of the Board of Revenue, dated 29th April 1869, No. 2,889:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 10th April 1869, No. 392.

I HAVE the honor to report, for the information of the Board of Revenue, that Mr. Sturrock having left the district on leave, Mr. F. E. Hall has, in pursuance of his appointment as Acting Head Assistant Collector, taken charge of the Head Assistant's Division, consisting of the Kundapur and Udipi Talooks.

2. Mr. Sturrock's departure has left me rather short-handed, as I have at present only one Covenanted Assistant in the district, (besides Mr. Hall,) and this Officer not being yet qualified for the separate charge of a talook, cannot directly relieve me of the Revenue or Magisterial charge of any portion of the district.

3. Of the two Deputies attached to the district one is in charge of the Treasury, and the other, who is attached to the Salt Department, cannot be drawn away from his immediate duties, as at this season of the year he (Mr. Ball) is engaged in superintending the manufacture of salt in the district, and is required to be constantly travelling and visiting the different salt manufacturing stations. In about a month the state of the weather will put a stop to salt manufacture, and he can then return to head-quarters.

4. Under these circumstances I have been obliged to direct Mr. Hall to retain for this short period [illegible] in addition to that of the two talooks forming the Head Assistant's Division, and have transferred the revenue charge of the Mangalore Talook to Mr. Weld as a temporary arrangement; Mr. Weld's orders being in every instance subject to my approval and confirmation. On Mr. Ball's return to head-quarters, Mr. Hall can be relieved of the Magisterial charge of the Mangalore Talook.

5. The Magisterial work in the Udipi and Kundapur Talooks is not heavy, so that Mr. Hall's being placed in temporary Magisterial charge of the Mangalore Talook, in addition to his own division, will not embarrass him.

6. The remaining two talooks in the district will continue to be under my own charge.

7. I trust that these temporary arrangements will meet with the approval of the Board.

SUBMITTED for the information of Government. The Collector's arrangements appear judicious.
