Nos. 201-205.

Boundary between the Godavery District and the Nizam's territories.—Letter to the Resident at Hyderabad regarding the desirability of some Person being deputed by the Nizam's Government for the settlement of the boundary in dispute, communicated to Revenue Board.

POLITICAL DEPARTMENT.

No. 175.

To

THE RESIDENT AT HYDERABAD.

SIR,

I am directed by His Excellency the Governor of Madras in Council to transmit the subjoined copies of letters, relative to disputes as to the boundary between certain villages in the Yernagudem taluq in the Godavery district and the adjacent villages in the territories of His Highness the Nizam; and to state that, in the opinion of this Government, it is desirable that an officer, vested by His Highness with full powers, should be deputed to meet on the spot and at an early date an officer of the British Government, for the purpose of settling the disputes and laying down the boundary.

I have the honour to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
27*th May* 1869.

(Signed) B. A. Ellis
Chief Secretary.

From the Collector of the Godavery district, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 14th May 1869, No. 9.

I have the honour to enclose copy of a letter from my Acting Sub-Collector, regarding the existence of boundary disputes in the Yernagudem taluq of long standing between villages of that taluq and adjacent villages in the Nizam's dominions.

2. I see no prospect of these being definitely settled unless some one is deputed by the Nizam's Government to settle the disputes on the spot with full powers; *i. e.*, not involving any reference to Hyderabad on any point prior to prompt and final settlement; and I trust the Government will address that Government through the Resident so as to get such a person at once appointed.

From the Acting Sub-Collector, to the Collector of the Godavery district; dated Rajahmundry, 10th May 1869, No. 61.

I have the honour to bring to your notice that the old standing boundary dispute, between the Government villages of this taluq and those of the Nizam's territory, has not yet been disposed of, as you will see from the accompanying copy of an Urzee addressed by a late Tahsildar of the Yernagudem taluq in 1867.

2. It appears that when Rahimohaddien went to the spot in that year and attempted to settle the disputed boundary line by arbitration, the Nizam's Tahsildar, who was deputed for the purpose, refused to be bound by the arbitrator's decision on the ground that it was not favourable. For the speedy and final settlement of the question, I request that you will address the Resident at Hyderabad with a view to some officer with full authority being appointed to meet either myself or the Tahsildar on a date to be fixed hereafter.
