Miscellaneous.

BEFORE according their sanction for the continuance to the family of Shah Ahmed Shah of his share in the Yeomiah, the Government request that the Collector will inform them as to the source whence his knowledge of the family left by deceased was derived. They observe that the ages of the deceased's wives and child coupled with the fact that he died in so distant a place as Hydrabad, afford room for suspicion.

Shall hand the dishonest practices of the Jaghire or Village and of the Yeomiah and decent Pensioners and on his family & descendants must also be properly punished as a warning to others. I would therefore not advocate the restoration of the Jaghire or Village but I think the original Yeomiah or Pension must be continued in the family if it was of a hereditary character. I would regard the reduced Pension of Rs. 70. as hereditary and confirm it to the family under the distinction pointed by the Collector & I would pay it so in the meantime lest the poor people should be inconvenienced but I think the Collector might be asked to clear up the

suspicion if one rests upon and a Police agent if not.

Memo: for orders
on Pet 1858-

This case seems to require some consideration - One Shah Kamal of Kurnool was in the enjoyment of the Revenues of a village and of a Jeomiah of Rs 97-8-11 per annum - He was found to have behaved dishonestly in connection with the claims against the late Nawab of Kurnool, and when he died the Court directed that his Jeomiah be resumed and that 70 Rs of the Jeomiah he continued for life to Shah Ahmed Shah for the maintenance of himself and the other members of the family -

The Jeomiah is apparently under this order payable only to the person

and fraudulently altering the wording of her own Summons,

persons who belonged to the family at the time the above order was passed. Owing to Shah Ahmed Shah, the Head of the family, not having paid the allowances of the other members eligible, the Govt. ordered, in 1855, a division of the allowance between them, as shown in the margin. When Abbas Ally died, a Sale Collector directed that 7½ Rd. of his pension should be paid to his widow Kajabee for life, the remaining 5 Rd. reverting to Shah Ahmed Shah in whose name the allowance was first granted. His allowance was thus raised to 30 Rd. and this arrangement was approved by Govt. This individual death is now reported & the Board support the recommendation of the Collector that the Shadee and Nicka

Nicka wives of the deceased (the former aged 30 years and the latter 70 years) be allowed 7½ Rd. each per mensem, that the son of the deceased aged 2½ years be allowed 12½ Rd. per mensem and that the balance, Rd. 2½, be given to the step brother Ally Hoossain, the present head of the family, or similar course being followed and approved by Govt. when another brother dies.

3. It will thus be seen that the Collector & the Board treat this as an hereditary and not as a life (charity) grant.

4. There is nothing to show that the Shadee and Nicka wives belonged to the family when the order of 10th June 1863 was passed. Among Mahomedans women are

are married or take
as Nicka at any age.

Undisposing of this matter, I think the
Govt should assume that the amount of

decease; a stipend of Rs 25, that being
the amount assigned to him when, in consq:
of his suspicions to disturb the Cuddapah stipend
of 70 Rs, it became necessary for Govt to interfere
and fix his share at 25 Rs. But, adverting to
the real disparity of age between his Phadee
Shirinka annie - 31 years & 70 years - I think
the Collector should be called on to explain what
there has been caused by and to state on what
information he has intended them names in
the list of heirs. The late stipendiary died at will
be seen, at Hyderabad where he always a
difficult matter to get trustworthy information.
The Collector should further report whether
there two females are of the deceased's household
