Proceedings of the Madras Government, Revenue Department,
15th June 1869.

No. 364. Read the following letter from C. G. MASTER, Esq., on Special duty, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 15th June, 1869 :—

I HAVE the honor, with reference to G. O., 21st May 1869, No. 1,432, Revenue Department, directing me to proceed to the Kistna District for the purpose of enquiring into sundry matters connected with the irrigation there, to request that I may be permitted, on reaching Masulipatam, to engage a small establishment to aid me in the performance of my duties.

2. Until I have seen and consulted with the Collector, I am unable to say precisely what this establishment should consist of; but, speaking generally, I imagine that a Manager, (who should be of the grade of Tahsildar or Superior Servant in the Collector's Cutcherry,) a writer in English and Telugu, and three or four peons, would suffice for the purpose.

3. I think it desirable, as this is a special duty which will occupy but a short time, that the subordinates who accompany me should be men who are already in permanent Government employ. I would propose, therefore, that the Collector should be directed to place at my disposal such persons as I may, in communication with himself, select, filling up their places temporarily as he may best be able.

4. I would further suggest that the salaries of the servants thus selected should be fixed at rates somewhat higher than those which they may be receiving in their permanent appointments. The particulars, I cannot, of course, supply at present; but the additional expenditure for which I now seek sanction, would not, in all probability, exceed Rupees 300 per mensem.

No. 365. ORDER THEREON, 15th June 1869, No. 1,711.

Irrigation, No. 11.

ORDERED accordingly. The details of the establishment when nominated should be submitted for the sanction of Government.
