Proceedings of the Madras Government, Public Works Department,
10th June 1869.

No. 212. Read the following Proceedings of the Government of India in the Public Works Department, (Irrigation,) dated Simla, 20th May 1869, No. 143 I. :—

Irrigation works on the Tambrapoorney river in the Tinnevelly District in Madras.

Read the following Despatch from the Right Honorable the Secretary of State for India, (Public Works,) to His Excellency the Right Honorable the Governor General of India in Council, dated India Office, London, 15th April 1869, No. 38.

I HAVE had before me in Council your Excellency's Despatch, dated February 11th, (No. 22,) 1869, reporting the sanction by your Government of an estimate of Rupees 8,31,600 for irrigation works on the Tambrapoorney river in Tinnevelly.

2. The project in question is one which is expected to become remunerative almost as soon as it is completed, and is, therefore, properly placed by your Government in the category of works that should be constructed from funds supplied by loan. It will satisfactorily complete the excellent system of irrigation which has existed from very ancient times in the district of Tinnevelly, and has been maintained and improved under British rule, while it will also furnish a much needed supply of water to the important and increasing sea port of Tuticorin.

ORDER.—Ordered that a copy of this Despatch be forwarded to the Government of Fort St. George for information, in continuation of Public Works Department letter No. 53 I., dated 11th February 1869.

(Signed) R. STRACHEY, Colonel, R. E.,
