Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 12th May 1869, No. 91.

I HAVE the honor to submit, for the sanction of the Board and Government, the accompanying plan and estimate, amounting to Rupees 4,480, for improving Road No. 56, from Tanjore to Vallum, from the District Road Fund.

2. The estimate provides for the extension of some of the masonry works, as also for the construction of new ones, and for metalling the road. These masonry works are across jungle-streams, and no portion of the estimate, therefore, is to be defrayed from Imperial Funds.

3. The actual amount to be sanctioned is Rupees 3,130, which is arrived at thus—Rupees 900, being the maintenance allowance allotted for 1868-69, have been already expended on portions of the work included in this estimate, and Rupees 450 out of the current year's similar allotment may also be spared, thus making a total of Rupees 1,350. Deducting this sum from the amount of the estimate, namely, Rupees 4,480, there is left the balance of Rupees 3,130.

4. Provision for this sum will be made in the list of incomplete, etc., works under the District Road Fund, to be shortly submitted.
