Proceedings of the Madras Government, Revenue Department,
19*th June* 1869.

Read the following papers :—

No. 426. Proceedings of the Board of Revenue, dated 3rd May 1869, No. 2,974.

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 25th March 1869, No. 90.

With reference to paragraph 3 of my letter, dated 2nd ultimo, No. 38, printed with the Board's Proceedings, dated 20th idem, No. 1,149, I have the honor to forward, for sanction, plan and estimate, amounting to Rupees 5,247, for the construction of a Travellers' Bungalow at Nadghany.

Enclosure No. 1.—Plan.

Enclosure No. 2.—Estimate.

The estimate for building a Travellers' Bungalow at Nadghany, at a cost of Rupees 5,247, will be submitted for the sanction of Government.

2. The plan is the same as that of the Peria Bungalow, which is calculated to cost Rupees 4,700.

3. The difference between these amounts arises from the fact that Peria being situated on the road between Cannanore and Manantoddy and near the latter place, labor and materials are cheaper there than at Nadghany which is situated at the top of the Karkur Ghaut.

4. The rates given in the estimates are as follows :—

	Peria.			Nadghany.		
	Rs.	A.	P.	Rs.	A.	P.
Brick-in-mud, 100 cubic feet..	22	8	0	23	0	0
Chunam do.	35	0	0	41	0	0
Plastering, per square	7	8	0	12	8	0

OFFICIAL MEMORANDUM.

No. 427. Memorandum from the Acting Secretary to Government, dated 20th May 1869, No. 61.

The undersigned has the honor to state that a sum of Rupees 3,519 was allotted in 1868-69, from the surplus Bungalow Funds of other districts, for the Nadghany Bungalow, in anticipation of the sanction of Government to the estimate for the work, and this sum was placed at the disposal of the Department Public Works.

2. It is not known how much has been spent up to the 31st March 1869 out of the above allotment, neither has any application been received from the Acting Collector of Malabar for the balance required for expenditure during the current year.

Vide Board's Proceedings, dated 10th March 1869, No. 1,642A.

Proceedings of the Madras Government, Revenue Department,
19th June 1869.

3. In the event of the Collector applying for funds for expenditure in the current year, arrangements would be made for transferring them from the surplus funds of other districts.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th March 1869.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 4th March 1869, No. 61:—

IN forwarding the enclosed,* I have the honor to beg that should funds not have been formally placed at Major Kennedy's disposal in consequence of my previous letters† and telegram of the 2nd instant, immediate supply may be allowed him.

* Copy of letter from Major Kennedy, dated 3rd March 1869, No. 836.

ENCLOSURE No. 1.

From Major R. W. KENNEDY, Special Executive Engineer, to the Collector of Malabar, dated Lakadi, 3rd March 1869, No. 836.

I AM in receipt of the Proceedings of Revenue Board regarding the Nadghany Bungalow and your endorsement thereon.

2. The plan and estimate being identical with that sanctioned for Peria, I did not think it would be necessary to do more than quote the latter; a copy however shall be sent for formal sanction.

3. I think a similar one will suffice for Culpathy, but I do not know whether you would desire any improvement or enlargement for that of Vythry. With regard to proceeding with the works you name, I beg to say that a commencement has been made, but I am now totally without funds to pay the work-people, and work is consequently at a stand-still everywhere; either some formality has not been complied with, or else the Controller of Public Works Accounts is under some misapprehension, as I am unable to obtain authority for drawing on the Treasury for the funds sanctioned for several works. The Orders of Government, and great importance of the work, led me to push on with the Tambercherry Ghaut, and the very great excess of expenditure beyond allotment for that work has totally exhausted the general funds at my disposal, leaving nothing to meet current expenses; the difficulty being aggravated by the longer time that has this year elapsed before any re-allotment from savings of other divisions has been made.

(True Copy.)

(Signed) G. A. BALLARD,
Collector.

THE Collector is referred to the Board's Proceedings of the 5th instant, No. 1498 from which he will find that a sum of Rupees 4,700 has been placed at the disposal of the Public Works Department for the construction of the Peria Bungalow.

2. The Collector is requested to expedite the submission of the plan and estimate for the Nadghany Bungalow, which was noticed in paragraph 11 of the Board's Proceedings of the 20th February 1869, No. 1,149. As it appears, however, that this Bungalow work is in actual progress, the Board request the Accountant General to place at the disposal of the Public Works Department the sum of Rupees 3,519, out of Rupees 8,887 shown in paragraph 3 of their Proceedings, dated 3rd June 1868, No. 4,636, to be available for Public Bungalows in Wynaad.
