Sir.

In forwarding the accompanying letter from the Asst Dy Collr dr 26 of the 17th Inst. of this Distt I have the honor to request that sanction for a guard as per margin may be obtained for the Ncar Collr at Peddapuram = Cottah — The present Station cannot afford with safety to have their present sanctioned strength reduced. The Dy Collr applied to me some time back to strengthen Rapily Station which of course I was unable to do and now I recommend it as he proposes would be very necessary —

In reply to para 2 of your Memo No 1894 of the 31st Ultimo. I have the honor to report that Salt is now being manufactured at the new Salt Station of Pentacotta, and that I have this day at the request of the Salt Deputy Collector sent out a party as per margin to guard the same for which I request you will be good enough to obtain Sanction of Government. The Colar at present is very small and the party I have named I consider sufficient for its protection. When an increase becomes necessary, I shall make application for the same.
