Proceedings of the Madras Government, Revenue Department,
22nd June 1869.

No. 469. Read the following Proceedings of the Board of Revenue, dated 19th May 1869, No. 3,473:—

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Chetubava, Pattukotta Talook, 30th April 1869, No. 71.

THE Board are aware that out of the two Assistants attached to this district, one is stationed at Combaconum, with both Revenue and Magisterial charge of that talook.

2. There being no Government building available at Combaconum for this Officer's office, I last year obtained a small place from the Civil Judge, hoping it might answer.

3. This building was the additional Moonsiff's Court; but as a part of it was so occupied with records as to render the remainder not large enough for a Cutcherry, I enquired of Mr. Whiteside whether the records could not be moved elsewhere, and have been informed by him that they cannot.

4. Under these circumstances, I beg the Board to allow me to submit a plan for an Assistant's Cutcherry at Combaconum, since a Cutcherry is absolutely required; and it is better to build one at once than to go on paying extra tentage all the year round, which Mr. Tagg and every other Assistant stationed at Combaconum will of course be entitled to draw, as long as he is not provided with Cutcherry accommodation.

SUBMITTED to Government, with the Board's recommendation that the Collector be authorised to obtain and submit for sanction a plan for an Assistant-Collector's Cutcherry at Combaconum.

No. 470. ORDER THEREON, 22nd June 1869, No. 1,763.
