R.D No 3443/68. 49

Before declaring the forfeiture of the endowment belonging to a Pandi Pattha, the Pdr= ought-to conform, to some extent at least, of the circ= under w.h the Pattha service has been dis-continued & how long it has ceased.

The effect of the Act-(20/63) in declaring the connection formerly existed between the Pdr= & Thandu and Mahomedan religious institutions, has been designed to destroy the few arrangements which remained standing when the Act came into operation. Such new arrangements as the Act was supposed to introduce, have

been more or less failures. I
as yet nothing has been done
for their amendment. It would
therefore, I think, be unbecoming
to take advantage of a decision
in favour of Ulterior services
in any Native institution, unless
it be clear from the satisfaction
of parties, that others resulted
from the wilful neglect of those
who were charged with their
performance and that the
Village community interested in
the services are wholly unconcerned
as to whether they are resumed
or not.—

The allegation of the Manager
of the Baroda that the Inam
land has become subject to

been more or less fractured. I
as yet nothing has been done
for their amendment. It would
therefore, I think, be unbecoming
to take advantage of a discon-
tinuance of Mahomedan services
in any Native institution, unless
it be clearly shown to the satisfaction
of Govt, that it has resulted
from the wilful neglect of those
who were charged with their
performance and that the
Village community interested in
the services are wholly unconcerned
as to whether they are resumed
or not.—
The allegation of the Manager
of the Paloda that the Inam
land has become unfit for

cultivation is no reason whatever
for its resumption - It may be rented
at a very low rate, or the tenants or
even a new Manager might remove
the cause.
Nor can I become a party to
showing that if the distinct Communities
of Communities were suspected, formed,
I were empowered to act for their
benefit they must be, to
an equitable extent, are should
not have heard a word about
this matter.
I do not fail to notice the arrear
against the Paloda, of 3 years suit-
ment, but an arrear of this kind
is entitled to extreme indulgence -
and might perhaps be realized by
the sale of a part of the land
thus rented and a part of the land
if a sale there must be. — but

remarks about the Inspector's forfeiture.
The R. Bd's Circular 6th Dec. 1865 was made against Trace. The book of R. Bd's Circulars in my possession calends only to 1865. —
There may be something in it, which has escaped my notice —
