Proceedings of the Madras Government, Revenue Department,
23rd June 1869.

No. 492. Read the following letter from the Collector of Bellary, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Bellary, 12th June 1869, No. 39 :—

At the request of C. Narainah, the Acting Huzoor Sheristadar of this district, I have the honor to forward, for submission to His Excellency the Governor in Council, a Memorial praying that, in consideration of his long service and the important nature of the duties satisfactorily performed by him during the past six years, he may be exempted from passing the test prescribed for Deputy Collectors and Magistrates. I beg respectfully to recommend that his request may be complied with.

2. His services in connection with the sale of the Jenm right in the escheated estates in North Malabar, have been favorably brought to the notice of Government and the Board of Revenue by Mr. Ballard, the late Collector of Malabar. I have known the Memorialist myself for the last thirteen or fourteen years, and I cannot call to mind any native of my acquaintance whom, in respect of integrity and ability, I would sooner recommend for the responsible post of Deputy Collector and Magistrate; but I am precluded from doing so, owing to his not having passed the necessary examination. I sincerely trust that the Government may see fit to relax the rule in his favor, as a special case.

No. 493. ORDER THEREON, 23rd June 1869, No. 1,774.

Miscellaneous.

THE Government regret that they are unable to comply with the Collector's recommendation which, it is observed, should have been submitted through the Board of Revenue.

I do not find that
Charamah is declared
as any of the testimonials
submitted by him, to which such knowledge of
the Codes and Law of Evidence as is especially
necessary for a man who, on getting a Deputy
Collectorship, is almost sure to be shortly called on to decide
his complaints during a Sub Inspectorship of the
Police. He seems to have made himself
generally useful and I take him to be a good
practical man, but with all his miscellaneous
knowledge he cannot have acquired an
adequate knowledge of Law, which he should find
very difficult on leaving the Examination required to
obtain the
Certificate.
