Proceedings of the Madras Government, Revenue Department,
22nd June 1869.

No. 486. Read the following Proceedings of the Board of Revenue, dated 28th May 1869, No. 3,804:—

Read the following letter from the Officiating Collector of the Kistna District, to the Acting Secretary to the Board of Revenue, dated Masulipatam, 1st May 1869, No. 121.

ADVERTING to paragraph 51 of Board's Proceedings, dated 31st March 1869, No. 2,060, I have the honor to forward a statement received from the Salt Deputy Collector, from which it will be observed that the large per-centage in the salt wastage of this district, commented upon by the Board, occurs only in the heaps stored in Fuslies 1271 and 1273. This was chiefly owing to these heaps having been damaged by the cyclone of 1st November 1864, and partly also to the salt stored by measurement having been sold by weighment. The latter cause also accounts for the small increase in the heaps of Fusly 1275.

2. None of these exceptional circumstances having been in operation in Fusly 1276, the per-centage of wastage in that Fusly was considerably reduced.

ENCLOSURE No. 1.—Statement.

UNDER the explanation now furnished, the Board resolve to request Government to sanction the writing off of 18,603 Maunds and 20 Seers of salt as wastage in the Kistna District during Fusly 1277,

No. 487. ORDER THEREON, 22nd June 1869, No. 1,771.
