No. 571. Proceedings of the Board of Revenue, dated 21st August 1868, No. 6,029.

Read the following letter from the Acting Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 10th August 1868, No. [redacted]

In enclosing copy of an Official Memorandum* received from my Sub-Collector, I have the honor to state that I quite agree with Mr. Horsley in opinion for reasons explained by him, and request, therefore, the Board's sanction for the attachment of Shrotriem Satoo Row Pully village in Madanapally Talook, and the remission of irrecoverable balance of Rupees 49-2-5, on account of Fuslies 1275 and 1276.

* Dated 31st July 1868, No. 141.

Enclosure No. 1.

No. 141.

OFFICIAL MEMORANDUM.

The Sub-Collector has the honor to state that a balance of Rupees 49-2-5, of Fuslies 1275 and 1276, is standing against Satoo Row Pully Shrotriem in Madanapally Talook. The Shrotriemdar Rama Row resides in Anantapooram in the Bellary District. This Shrotriem was not enfranchised in consequence of the absence of the party before the Inam Commissioner, and the Shrotriem was zufted. The Shrotriemdar's share has been collected under Sewoy Jamah since Fusly 1274. The Shrotriemdar has no property in the village except a piece of ground about thirteen yards square on which his house formerly stood.

2. This small piece of land is not included in the Shrotriem land of the village. The village is a deserted one. Last year a small portion of its land was cultivated; but this year the entire extent was left waste. The Shrotriemdar has, since 1863, been twice summoned to appear for the settlement of his claim to the Shrotriem, but he has neglected to comply. It is inexpedient that a balance should be allowed to stand for so long in the accounts, and it is requested that sanction may be obtained for the village being permanently brought under Government Ayacut, deducting the piece of land above mentioned, and that the arrears be written off as irrecoverable.

Madanapally, 31*st July* 1868.

(Signed) W. D. HORSLEY, *Sub-Collector.*

The Board wish to know whether there is evidence that the Shrotriemdar has actually been served with the summonses to appear.

No. 572. Proceedings of the Board of Revenue, dated 17th May 1869, No. 3,364.

Read the following papers:—

Board's Proceedings, dated 21st August 1868, No. 6,029.

Letter from the Acting Sub-Collector, to the Acting Collector of Cuddapah, dated Madanapally, 15th March 1869, No. 78.

With reference to my predecessor, Mr. Horsley's letter, dated 31st July 1868, No. 141, regarding the Shrotriem of Satoo Row Pully in Badikoyalapully Village,

attached to Madanapally Talook, the Board requested in their Proceedings, dated 21st August 1868, No. 6,029, to know whether there was evidence that the Shrotriemdar had actually been served with the summons to appear. In reply I have the honor to state that a general notice for the appearance of the Inamdars of Madanapally Talook was issued on 4th August 1860, in the *Zillah Gazette* of Cuddapah, pages 213 and 214 of that year: an individual notice was sent to this Inamdar to the Kurnool District on 16th May 1862, as stated in the Zufted Inam Register book, and an order was given to attach this Inam on 5th May 1863.

2. On the receipt of the above Board's Proceedings another notice was sent by the Tahsildar of Madanapally in the month of November 1868, to the Inamdar. The said notice was returned by the Tahsildar of Anantapoor Talook in Bellary District on 24th November 1868, as the party could not be found, and subsequently a letter was sent to the Acting Sub-Collector of the Bellary District requesting him to inquire about the Inamdar. In his reply, dated 3rd March 1869, he stated that nothing was known about the Shrotriemdar Rama Row, either in Anantapoor or in its neighbourhood, which was reported to be his general residence.

3. Under these circumstances I request you will recommend the Board to sanction the suggestions of Mr. Horsley, stated in his letter above dated.

No. 32.

SUBMITTED, with reference to Proceedings of the Board, dated 21st August 1868, No. 6,029.

CUDDAPAH,
19*th March* 1869.

(Signed) G. VANSAGNEW,
Acting Collector.

SUBMITTED for the Orders of Government.

2. With his letter, dated 10th August 1868, the Acting Collector of Cuddapah forwarded an Official Memorandum from his Sub-Collector showing a balance of Rupees 49-2-5 on account of Fuslies 1275 and 1276 against the Shrotriem village of Satoo Row Pully in Madanapally Talook belonging to Rama Row, a resident of Anantapcoram, and recommended that the village (which has been under attachment since 1863-64, the Shrotriemdar's share of the revenue being collected under Sevoy Jumma,) should be permanently resumed, and the arrears remitted as irrecoverable.

3. The village is reported to be a deserted one, cultivated to a small extent in the last, and not at all in the present year; and it remains unenfranchised owing to the Shrotriemdar having failed to appear before the Inam Commissioner. The Shrotriemdar has no property in the village except a piece of ground (not included in the Shrotriem land of the village) about 13 yards square, on which his house formerly stood.

4. Before submitting the case for the Orders of Government, the Board desired the Acting Collector to state whether there was evidence that the Shrotriemdar had actually been served with the summonses to appear; and from Mr. VansAgnew's reply above recorded, it appears that, besides the general notice published in the *District Gazette* in the year 1860 by the Inam Commissioner, for the appearance before him of all Inamdars in the district, a notice individually to

Rama Row was sent, (as recorded in the "Zufted Inam Register,") a year before the Order, dated 5th May 1863, to attach the village was given. It is further stated that, within the past 6 months, the Tahsildar of Anantapoor and the Acting Sub-Collector of the Bellary District have been communicated with touching this party, and they have both failed to trace him in Anantapoor and its neighbourhood. The Tahsildar was at the time furnished with a notice to be served on Rama Row, which he subsequently returned.

3. Under the above circumstances the Board recommend that the Collector be authorised to incorporate the Shrotriem lands in question with the Government lands, and remit the arrears amounting to Rupees 49-2-5.

THE Collector is accordingly authorised to incorporate the village of Satoo Row Pully with the Government lands, with the exception of the plot of ground belonging to the Shrotriemdar.
