Proceedings of the Madras Government, Revenue Department,
29*th June* 1869.

No. 619. Read the following Proceedings of the Board of Revenue, dated 7th June 1869, No. 4,058:—

Read the following letter from the Collector of Kurnool, to the Acting Secretary to the Board of Revenue, dated 11th May 1869, No. 157.

I HAVE the honor to acknowledge the receipt of the Proceedings of the Board, No. 2,211, dated 3rd April 1869, submitting to Government my report on the irrigation wants of this district.

2. I beg to state, with reference to paragraph 4, that the ayacut of the tanks situated in that part of the district which constituted the old jaghire, was fixed under the superintendence of Mr. W. H. Bayley, and those in the four transferred talooks under the guidance of Colonel Munro, at the time of the General Survey of the Ceded Districts. The ayacut was ascertained from the actual cultivation of previous years, and therefore must be considered as representing the capacity of the tanks to which it is registered.

Present Talooks.	
Ramalkota.	Pattikondah.
Nandikotkur.	Koilkuntla.
Nandial.	Cumbum.
Sirwell.	Markapur.

3. The Board's supposition in paragraph 9, as regards the full revenue being realised, though a great portion of the ayacut is waste, is correct, namely, that it is due to the assessment on the second crop.

4. I trust to be in a position shortly to submit a separate report on the subject
