Read from Nellore to Kristnapatam Road Nellore District—Public Works Proceedings ordering consideration of the estimate for completion of the metalling of the road to stand over, communicated to Revenue Board.

Proceedings of the Madras Government, Public Works Department, 14th June 1869.

No. 279. Read the following letter from the Acting Sub-Collector in charge of Nellore, to the Secretary to Government, Public Works Department, dated Nellore, 1st June 1869, No. 1,026:—

I HAVE the honour to forward, with my countersignature, for the sanction of Government, an estimate for metalling the remainder of the road from Nellore to Kristnapatam, to complete the communication from Madras; the execution of which is now understood to be in rapid progress under the Executive Engineer, East Coast Canal. The eleven miles out of Nellore are completed.

2. From Proceedings of Government, Revenue Department, No. 412, dated 17th February 1869, it will be observed that Government have ruled that the cost of the repairs of the road, as part of the Imperial Main Line No. VIII., should be borne by the Department Public Works.

No. 280. ORDER THEREON, 14th June 1869, No. 1,924.

CIVIL WORKS, No. 47.

As the Government see no prospect of being in a position, within any reasonable period, to allot funds for the completion of the metalling of the road referred to in the above letter, the consideration of the estimate will stand over.
