Proceedings of the Madras Government, Public Works Department,
19th June 1869.

No. 429. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Camp at Masulipatam, 27th May 1869, No. 36:—

Referring to G. O., No. 1,390, of 28th April 1869, I have the honour to request the sanction of Government to the employment of six Surveyors, on an average of Rupees 80 a month, for levelling and surveying for the various works in this division.

2. I regret that I cannot give any details as to their employment, as it must depend on the continuation of the dry weather, &c.; I propose to keep them all, as now, in the Delta as long as possible, and then to remove them to survey tanks or roads, Imperial or Local. While engaged on the latter their pay will be debited to Local Funds, but it is difficult to say beforehand how much will be chargeable to each head, but regular accounts will be kept.

No. 430. Order thereon, 19th June 1869, No. 2,000.

ESTABLISHMENT, No. 53.

The Government sanction the entertainment of three Surveyors for four months, within which time the Superintending Engineer of the 2nd Division should furnish full particulars of the work requiring to be done, and of the time which it will occupy.

2. The salaries of the Surveyors will be charged to the Imperial Budget Grant for "Temporary Establishments."

3. These Surveyors will be available for employment solely on Irrigation Works, such surveys as may be required for roads being made by the Regular Establishment.
