Proceedings of the Madras Government, Revenue Department,
30th June 1869.

No. 696. Read the following letter from the President, Municipal Commission, Vellore, to the Chief Secretary to Government, Fort Saint George, dated Palmanair, 11th June 1869, No. 38 :—

I HAVE the honour, with reference to the Proceedings of Government, dated 24th October 1867, No. 2,505, Revenue Department, to submit, for their orders, the request of the Municipal Commissioners of Vellore that the proceeds of certain grass-lands, farmed out within the Municipality, may be made over to the Corporation.

2. The grass-lands referred to are situated within the Vellore Fort and on the glacis, and were rented out for five years, from 1st December 1864, at Rupees 262 per year. Rupees 786 have been collected up to date, and Rupees 50 are in deposit, as security for the contract.

3. The Municipality claim, in addition to the transfer of the farm to their hands, refund of all income derived therefrom from the time Vellore came under the Towns' Improvement Act.

4. The proceeds of this farm are now credited to Local Funds.

5. The case is a peculiar one, and as I regard it, the demand should be rejected. The Municipality have already received from Government a very liberal assignment of land from the open plateau adjoining the glacis which they have disposed of as a building block for Rupees 18,000. Any further concession would not, in my opinion, be expedient, either in the interests of the town itself, or on other considerations.

TRANSFERRED to the Revenue Department, with reference to orders in that department, dated the 24th October 1867, No. 2,505.

FORT SAINT GEORGE,
23rd June 1869.
