No. 706. Read the following Endorsement of the Under-Secretary to the Government of India, Home Department, Public, dated Simla, 2nd June 1869, No. 2,520 :—

Read the following letter from W. S. ATKINSON, Esq., M.A., Acting Superintendent, Botanical Gardens, to the Assistant-Secretary to the Government of Bengal, dated Botanical Gardens, 24th April 1869, No. 9.

WITH reference to your Endorsement, No. 1,470, dated the 3rd instant, I have the honour to inform you that Dr. Anderson, who is now on his way to England, has in view the introduction of more plants of Ipecacuanha for cultivation in India, and will, I know, endeavour to secure all available plants from the Botanical Gardens in Europe.

I may also state that Dr. Hooker, at the Royal Gardens, Kew, has been already communicated with on this matter, and will no doubt send any spare plants he has there under careful supervision. Seeds unfortunately cannot be had in Europe, all the plants in cultivation having as yet proved sterile; and they could only be secured by persons who have access to the native habitats of the plant.

It might be desirable that copies of this correspondence should be forwarded to Dr. Anderson, with an intimation that the Lieutenant-Governor of Bengal approves of the endeavours he is making for the promotion of the cultivation of Ipecacuanha in India.

Original enclosures to No. 1,470 returned.

No. 1,801, dated Fort William, 7th May 1869.

COPY forwarded to the Secretary to the Government of India, Home Department, for information, in reply to his Endorsement, No. 1,559, dated the 24th March 1869, and in continuation of my letter, No. 1,537, dated the 24th ultimo. A copy of the correspondence on the subject has been forwarded to Dr. Anderson in England as suggested by Mr. Atkinson.

(By order of the Lieutenant-Governor of Bengal,)

(Signed) H. S. BEADON,
*Officiating Under-Secy. to the Govt. of Bengal.*
