No. 704

In obedience to G. O. of the 3rd June 1869 I have the honor to submit for the information of Government, copy of my Docket of the 10th May last, to the Examiner of Claims, and to state that as, under Pro. Madras Government, of the 15th June 1868, the provisions of G. O. G. I. regarding carriage by rail of horses and camp equipage of Survey Officers, have been declared to apply to the Revenue Survey Department, as these Officers also for the efficient performance of their duties must carry with them horses & tents which are absolutely necessary for work in the field and as the occurrence of a journey by sea is very rare, I respectfully request that the provisions of the resolution of Government of India dated 28th January 1865 No. 463, only as regards the carriage by sea of horses and camp equipage may be extended to Revenue Survey Officers in the event of their not being considered at present to apply as believed by me from the statement in G. O. 15th November 1867 No. 2701 that the Resolution of the Supreme Government regarding the carriage by rail of horses and equipage was alone not applicable
