Proceedings of the Madras Government, Revenue Department,
6th July 1869.

No. 82. Read the following letter from J. W. BREEKS, Esq., Commissioner of the Neilgherry Hills, to the Chief Secretary to Government, dated Ootacamund, 17th June 1869, No. 28 :—

I HAVE the honour to forward an application from Mr. MacPherson, to the effect that Government should take 100 copies of a pamphlet he is about to publish on the cultivation and manufacture of Tea on the Neilgherries.

2. I have read a portion of Mr. MacPherson's pamphlet, and I dare say it will contain a good deal of practical informationlikely to be of value to the public engaged in Tea-planting. If the pamphlet be approved by some competent judges, such as the Madras Agri-Horticultural Society, possibly the Government might think it desirable to aid in the undertaking, by taking a certain number of copies ; without some such aid, I do not think there will be demand enough for such a purely professional Manual to clear the expenses of printing.

No. 83. ORDER THEREON, 6th July 1869, No. 1,927.

Miscellaneous.

THE Government are unable to comply with the request contained in Mr. MacPherson's letter.

Nos. 62-63.

Pamphlet on the cultivation of tea on the Neilgherries.—Mr. MacLerson's request that Government should take 100 copies of it, declined.

...the endeavour will made to suit the price of the pamphlet to Rupees two (2) per copy, and I would very respectfully request the Government to take one hundred copies (100), at that price, that I may be ensured against loss in the publication of the first edition.
