## *Proceedings of the Madras Government, Revenue Department, 6th July* 1869.

No. 86. Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp at Nagalapooram, 16th June 1869, No. 1,307-40 :—

In continuation of my letter, dated 7th November 1868, No. 1,799-69, disposed of in G. O., 24th idem, No. 2,935, I have the honour to request that instructions may be issued to the Accountant-General to advance in such sums as may be convenient, from time to time, the balance (Rupees 45,000) of the sum estimated as necessary to provide demarcation stones in the Conjeveram Talook.

2. Captain Clay, the Officer in charge of the demarcation, reports his having expended the first half of the required amount (Rupees 45,000), the advance of which was sanctioned in the G. O. quoted above; and as demarcators are now being transferred from the Ponairy to the Conjeveram Talook, it is necessary that the supply of stones for demarcation should continue uninterrupted, and to ensure this, the advance now applied for is required.

24th November 1868, No. 2,935.

3. I take the opportunity of mentioning that as yet none of the first advance has been recovered, inasmuch as stones have hitherto only been collected at various convenient depôts in the talook, and have not yet been placed in position as marks. Until they are so fixed, it is of course impossible to make any demand for their cost. In Ponairy, the Order of Government, dated 10th February 1868, No. 372, prohibits measures being at present taken for the recovery of advances on account of demarcation.
