No. 194. Read the following Proceedings of the Board of Revenue, dated 2nd August 1869, No. 5,608:—

Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 30th June 1869, No. 90.

SINCE we settled to have the October Exhibition in the Ootacamund Market building, the Agri-Horticultural Society have held an Horticultural Show there, which has quite convinced the Exhibition Committee that it is too low and dark a building for the October Exhibition. Accordingly we met again to select a better place, and we are unanimous in thinking that "Stonehouse," the property of Government, would be an excellent site.

2. I write therefore to request permission to hold the Exhibition at "Stonehouse," which has this additional advantage over the Market building, that whatever is expended upon it in whitewash and paint will go to the credit of Government. The only drawback is the state of the road from the entrance gate to the house. The road winds up a hill, and is now almost impassable to wheeled traffic on account of a deep trench made by the rainfall. On the ground that the road, if put into repair, will improve the value of a property of which Government is the owner, I hope the Board will urge the Government to sanction its repair in the Public Works Department, without trenching upon the sum sanctioned for the Exhibition.

SUBMITTED for the orders of Government.

2. The Board are of opinion that Stonehouse is a far better place for the Exhibition than the Market building.

3. As the place is the property of Government, the Board hope that they will not hesitate to put the road in order before the Exhibition takes place.

No. 195. ORDER THEREON, 13th August 1869, No. 2,326.

Miscellaneous.

THE Commissioner's proposal is sanctioned.
