*Proceedings of the Madras Government, Revenue Department,
14th August 1869.*

No. 216. Read the following Proceedings of the Board of Revenue, dated 10th July 1869, No. 4,964 :—

Read the following letter from the Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 21st June 1869, No. 159.

I HAVE the honour to submit a letter from the Deputy-Collector of Wynaad, dated 3rd June 1869, No. 297, claiming travelling allowance for affording accommodation to his establishment at his head-quarters, on the ground that the portion of the building hitherto used as his Cutcherry was pulled down owing to its having become unfit for use.

2. Last year, when the same building was under repair, the Deputy-Collector was allowed travelling allowance for the period he stayed at his head-quarters, and afforded accommodation to his office.

Vide Board's Proceedings, dated 7th September 1868, No. 6,346.

3. As the circumstances under which travelling allowance is now claimed are similar to those under which it was formerly granted, I solicit Board's sanction for the payment of the amount of the present bill to the Deputy-Collector, and of similar bills in future till the new building, sanctioned in Government order, 15th January 1869, No. 109, is completed.

4. I take this opportunity of requesting the Board to take steps to have the new building erected as soon as possible. I see no allotment for the work in the sanctioned Imperial Budget for 1869-70.

ENCLOSURE No. 1.

From W. E. UNDERWOOD, Esq., Deputy-Collector of Wynaad, to the Acting Collector of Malabar, dated Manantoddy, 3rd June 1869, No. 297.

IN presenting my travelling allowance bill for May I have the honour to observe that the portion of the building allotted to me as a Cutcherry was, early last month, pulled down. It had been condemned for some time past, as indeed the whole building has; and when last visited by Major Kennedy and Mr. Ballard together with myself, it was agreed that the building should be at once dismantled, as the only means of saving the rooms allowed me as a residence, namely, three; and as there was no available house to be rented here, I should afford accommodation for my office, and by permission of the Board draw extra tent allowance, as is generally allowed under these circumstances.

2. The rooms occupied by myself and family are very far from being safe. The walls and verandahs are now merely temporarily propped up with beams, etc.

3. I may venture to hope that, under these circumstances, the Board of Revenue and Government will see the urgent necessity of commencing the new buildings for the Deputy-Collector's Cutcherry and residence, and that funds may be early placed at the disposal of the Public Works Department for the same.

4. I beg to refer you to the Proceedings of the Board of Revenue, dated 7th September 1868, No. 6,346. As the position I am now placed in is exactly similar, I request to be permitted to draw the extra tentage when at Manantoddy.

5. I have erected two large rooms, one 30×15 and one 22×15.

6. I have submitted a bill to the Treasury-Deputy-Collector, and as he will probably require your sanction, and it may probably be that the sanction of the Board be first required, I submit a duplicate bill with this.

*Proceedings of the Madras Government, Revenue Department,
14th August 1869.*

[ENCLOSURE No. 2.—Bill.

THE Board sanction the payment of travelling allowance to Mr. Underwood for the time during which he has to provide accommodation for his office.

2. This letter will be submitted to Government with the observation that heavy expense will be incurred in providing accommodation for the establishment of the Deputy-Collector of the Wynaad, until the new office is built.

No. 217.

ORDER THEREON, 14th August 1869, No. 2,337.

Miscellaneous.

THE Board's Proceedings above recorded will be communicated to the Public Works Department, in view to the building of the new Cutcherry for the Deputy-Collector of Wynaad being expedited as much as possible. The Government observe that the proposal of the officer in charge of Public Works Operations in Wynaad that a fresh site should be chosen for the Cutcherry has recently been referred to the Collector of Malabar Proceedings, dated 14th July 1869, No. 2,032. They desire that the required information be submitted with the least practicable delay.
