Extract from a Despatch from the Secretary of State, No. 87 of the 14th October 1868, addressed to the Governor General of India in Council.

"PARAGRAPH 2. No Officer in the public service should be allowed to receive fees except under the special previous sanction of your Excellency's Government. It was very desirable that the views of the Supreme Government should be made known as a guide to Local Administrations in dealing with claims of this nature in future.

"3. I fully concur in the view that has been taken by your Government of the three particular cases that have come under their notice, and am of opinion that the practice of allowing Officers to receive fees and commissions, except under very exceptional circumstances, would be detrimental to the public service."
